

Dear Customer,

All Canada Aerials is glad to meet your personal lift requirements.

With the rental of any unit, All Canada Aerials requires a Certificate of Insurance from your insurance company/broker confirming the following:

- All Risk Physical Damage coverage for the specified amount with a max deductible of \$2,500.00
- Insurance Company, Policy Number and valid expiry date.
- \$2,000,000.00 Minimum Limit Commercial General Liability.
- All Canada Aerials Limited named as an additional insured.
- 15 days notice of cancellation.

**UNTIL ALL CANADA AERIALS HAS PROOF OF INSURANCE IN THE OFFICE,
NO MACHINE WILL LEAVE THE YARD TO BE DELIVERED TO SITE.**

Once your annual Insurance Certificate has been received, future rentals may be generated quickly without waiting for your insurance information to arrive before each rental can begin. Please make sure that upon expiry of your current policy a new certificate will be issued for the new term.

In the case of an accident, having the proper coverage and information in the place does not only protect All Canada Aerials but you and your business as well.

Please have coverage faxed over to us at 905-795-1121 before your rental delivery.

Thank you for your co-operation.
